

Bell TV Receivers

A superior TV experience.

Stunning picture quality

Bell TV receivers feature HDMI (High Definition Multimedia Interface) technology to ensure greater compatibility with even the most recent HD TVs and home theatre equipment. And because Bell TV receivers let you choose between 720p and 1080i HD resolutions, you can select the one that best matches the optimal resolution of your TV. You'll see the difference.

Record like never before

Thanks to state-of-the-art micro-processors in Bell TV HD PVRs (Personal Video Recorders), you can record 2 shows while watching a third pre-recorded program – all at the same time and with the same digital quality picture. Plus, record your favorite shows from anywhere with the Remote PVR, from a smartphone or over the Internet.

Great on-screen guide

All Bell TV receivers feature the most advanced on-screen interface, delivering unmatched functionality. View up to 3 hours of programming schedules, up to 9 days in advance, using the entire width of your widescreen TV (a feature unique to Bell). Browse shows and movies with intuitive, Web-inspired search features, then record them on your Bell TV HD PVR right from the programming guide.

Buy or rent to own

There are two easy ways to get your Bell Satellite TV receivers

1. Purchase them
2. The Rental Choice Plan - Rent your receiver for a low monthly price. If you rent it for 36 months, you then have the choice to own it.

CALL 1 866 350 8021 TO BOOK YOUR INSTALLATION.

Current as of September 1, 2011. Available to residential customers where access and line of sight permit. A fee in an amount not to exceed 1.5% of your monthly Bell TV charges shall apply to fund Bell's contribution to the CRTC's Local Programming Improvement Fund. See bell.ca/LPIF. Digital service fee (\$3/mo. per account) applies. Early termination fees apply. Subject to change without notice. Taxes extra. May not be as shown. Equipment and installation charges may apply. Other conditions apply; see bell.ca/satelliteagreements or call 1 866 350-8021. (1) Based on combination of 30-second commercial skip function, 9-day programming guide and expandable recording capacity. Dolby is a registered trademark of Dolby Laboratories Ltd.

Rental term is month to month. If you rent receiver without default for 36 consecutive months, you may choose to take title to and own the receiver by notifying Bell TV within 30 days of making your 36th monthly payment. If you choose not to take title to the receiver, you must return the receiver to Bell TV within 30 days or pay a non-return fee. You may terminate your rental at any time. No hardware termination fees when you end your monthly rental and return the receiver (however, early termination fees may apply to the Bell Satellite TV programming portion of your account); if you fail to return the receiver when you cancel your rental you must pay a non-return fee. Receiver warranty up to 39 months.

Choose a receiver.

There's a Bell TV receiver to suit your entertainment needs and budget.

A great start.

Standard Definition Receiver

A feature-rich, compact system.

- 100% digital signal
- On-screen programming guide

Move up to HD.

High Definition Receiver

Experience the HD difference with picture quality that's up to 10 times better than regular cable.

- 16:9 widescreen format
- On-screen programming guide
- PVR-capable with optional external hard drive (PVR Upgrade Kit)
- HDMI audio/video output

The best you can get.

High Definition Personal Video Recorder

Now program Canada's best HD PVR ¹ remotely from the Internet or a smartphone. Anytime, anywhere.

- Record up to 200 hours of programming (or 30 in HD)
- Dual tuner - record 2 shows while watching a third pre-recorded program
- On-screen programming guide
- UHF remote - control your TV from any room in the house
- Rewind up to 60 minutes of live TV
- 30-second commercial skip
- HDMI audio/video output

Upgrade your TV experience.

PVR Upgrade Kit

- Turn your HD receiver into an HD PVR to pause and replay live TV or record your favourite programs like never before.
- Expand the recording capacity of your HD PVR – just plug it in and go from 200 hours of standard recorded favourites to up to 700 hours or from 30 hours of HD recording to up to 95 HD hours.

Bell TV versus cable.

Compare our receiver functionality to cable's and see why Bell TV is better.
