*International calling plans are based on normal residential or personal, non-commercial use. A combination of factors are used to determine normal or personal, non-commercial use, including but not limited to: the number of unique numbers called, calls forwarded, minutes used and other factors. All calling plans are subject to our Acceptable Use Policy and Terms and Conditions of Service.

** Applicable to new service orders after October 22, 2016 and any service entering a new service month outside of the one year initial service term: Call time to Bangladesh is limited to 1,500 minutes per service month.
